WEEK 8

A Mother's Work and Ministry— Four Tests For A Woman's Daily Work and Having a Heart For Service 201

Should a woman work outside her home? Does the Bible have anything to say on the subject? We will apply a four-part test to all of our activities—including full-time work, homemaking and volunteer work—to keep our priorities straight. And after a woman has her priorities in order, she is ready for ministry. Does that mean she is to sign up for every available job at church? Does that mean she will wind up in a foreign country speaking a new language? How does she know where to start serving the Lord? The answer to these questions and many more are found in this lesson on ministry.
